

When do Points start? Points start at the 12 and Under level (not in the 10s).

What is the actual purpose of the points? Points determine ranking and advancement opportunities & seeding at tournaments.

Why do kids want to accrue points? Opportunities to play national level tournaments and participate in the Zone/Intersectional Team events.

What are points used for? The top level tournaments are limited by rank. Players also start building a National Ranking within the MidAtlantic Section (L4+ events) and Section Championships in January & June award points toward national rank.

How does my child earn points? By participating and winning matches in tournaments and JTT. See Tables 1-10 for specifics...
